THROUGHOUT THE CATALOG, YOU WILL NOTICE ICONS NEXT TO PRODUCTS. THESE ICONS INDICATE DIFFERENT FEATURES FOR OUR PRODUCTS, FROM ANSI COMPLIANCE TO USING RECYCLED MATERIALS. THE LIST BELOW DETAILS WHAT EACH ICON MEANS.

	ANSI Certified Meets ANSI standards for safety.		Performance-Flex Expanding, ribbed fabric keeps you flexible on the job, extending your range of motion.		UV Protection These products are treated to block damaging UV rays.
	Antimicrobial Prevents bacteria from creating a stink.		Max Comfort Our VitaComfort® system absorbs impact and wicks away moisture to keep you on your feet.		Ultra Slip Resistant The highest slip-resistant rating.
	Breathable Lets sweat evaporate so you stay dry and comfortable.		Moisture-Wicking Wicks moisture away from skin to let it evaporate so you stay dry and comfortable.		Waterproof These products are 100% waterproof.
	Cut Resistant Tested and certified to reduce injury from sharp objects.		Teflon® Coated Teflon® treatment keeps dirt and grime from staining your gear.		Water-Repellent Snow, light rain and condensation rolls off the treated outershell of these products.
	Dual-Layer Added warmth for gloves with an extra layer of protection.		Puncture Resistant Puncture-resistant plate along the sole.		Wind-Tight Outershell keeps the wind out and the warmth in.
	Lightweight Won't weigh you down while you're working.		Eco Friendly These products are crafted from recycled or sustainable materials.		CSA Tested and certified CSA safety compliance.
	BOA® Fit System Get a snug, precise fit on footwear that lasts all day.		Reversible These products can be reversed, to extend wear or to offer a different look.		AirBlaze® Features our lightweight, warm insulation made from sustainable materials.
	Grip Assist Don't drop the ball (or box) with added Grip Assist silicone dots.		4-Way Stretch Features materials that stretch with you for added performance and comfort.		CE Meets European Safety Standard requirements. See refrigiwear.com for details.
	Touchscreen Compatible for use with touchscreen devices.		Cold Protection Shield Tested and certified for compliance to European cold-protective equipment standards.		Mechanical Risks Tested and certified for compliance to European standards for mechanical risks.

QUALITY STATEMENT

Since 1954, RefrigiWear® has been committed to Quality, Performance and Reliability. Our founder, Myron Breakstone, demanded a standard of excellence that will never be compromised. We understand that the customer defines quality. To consistently exceed customer expectations, we challenge our dedicated employees and loyal suppliers to continuous improvement of every product, process and service. We promise to aggressively protect the reputation of RefrigiWear® as the industry leader in quality.

Learn how our multi-step process ensures quality won't be compromised: Visit our website to learn more about our multi-step quality assurance process.

EXTREME FREEZER GLOVE | PAGE 67
EXTREME PAC BOOT | PAGE 80

8750 Extreme Hooded Jacket

Get durable yet flexible protection from extreme cold in a snap. Attach the removeable hood for work in colder temps. Open the zippered under-arm vents to let in a little air when work starts heating up.

Black | S-5XL | 8750 | Starting at \$245

0790 Extreme Softshell Jacket

This jacket goes to extremes, keeping you protected in temps down to -60°F. Features flexible softshell, draft protection and waterproof zippers. The ultimate protection for extreme conditions.

When paired with 0795, meets EN 342:2017 Protective Clothing Protection Against Cold: 0.455(B) | 3 | X

Black | S-5XL | 0790 | Starting at \$228

0796 HiVis Extreme Softshell Jacket

The ultimate protection for extreme conditions with the added safety of ANSI certified HiVis features. Reflective tape is bonded, not sewn, so it won't peel off with day-after-day use.

Lime | S-5XL | 0796 | Starting at \$246

NEW AVAILABLE
 DEC. 2022

8754 54 Gold Hooded Utility Jacket

How can an insulated jacket that's so lightweight keep you warm and moving freely in bone-chilling temps? With AirBlaze® insulation, a heat-reflecting graphene lining, a comfort stretch outershell, Performance-Flex at elbows and bi-swing shoulders, there's nothing holding you back.

● Navy | S-5XL | 8754 | Starting at \$217

8354 54 Gold Jacket

It's no ordinary jacket because you don't face ordinary conditions. The combination of our lightweight insulation with our WarmPlus graphene lining extends your protection against the cold without the bulk—so you're warm, comfortable and able to move freely to tackle your day.

●● Dark Green | Navy | S-5XL | 8354 | Starting at \$262

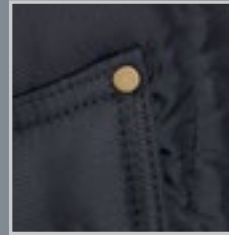

IRON-TUFF® PROVEN IN THE COLD FOR OVER 65 YEARS

IRON-TUFF® ARCTIC | PAGE 12

Bound seams seal out cold drafts and add crazy-strong durability for years of use.

Your jacket, bibs or coveralls won't snap under the pressure of the day thanks to reinforced brass rivets at key stress points.

The tough outer layer is wind-tight and water-repellent, so you have added protection from whatever the day throws at you.

0360 Iron-Tuff® Ice Parka

The only Iron-Tuff® jacket with a sewn-on hood, the Ice Parka is ready to shield you from tough, cold conditions. Brave the day with heavy-duty warmth and durability.

Navy | Sage | S-5XL | 0360 | Starting at \$168

0343 Iron-Tuff® Enhanced Visibility Siberian™

Get noticed with the added visibility of reflective tape on our classic Iron-Tuff® Siberian™. The longer design offers great cold protection, plus iconic Iron-Tuff® durability.

Navy | S-5XL Regular, M-5XL Tall | 0343 | Starting at \$159

Iron-Tuff® Snap-On-Hood available pg 91

0342 Iron-Tuff® Jackoat™

The harshest work environments are no match for you in the Iron-Tuff® Jackoat™. Perfect for all day shifts in freezers or working outside. Plus, oversized pockets keep small tools handy.

Navy | Sage | S-5XL Regular, M-5XL Tall | 0342 | Starting at \$160

Iron-Tuff® Snap-On-Hood available pg 91

JACKETS

0358 Iron-Tuff® Siberian™

One of our most popular products for over 50 years! The Iron-Tuff® Siberian™ features a longer design for great cold protection, plus iconic toughness to last you for years to come.

Navy | Sage | S-5XL Regular, M-5XL Tall | 0358 | Starting at \$135

Iron-Tuff® Snap-On-Hood available pg 91

0359 Iron-Tuff® Arctic

The waist-length design of the Iron-Tuff® Arctic jacket makes driving forklifts and working from a seated position both comfortable and warm, even in bone-chilling cold.

Navy | S-5XL | 0359 | Starting at \$116

Iron-Tuff® Snap-On-Hood available pg 91

0341 Iron-Tuff® Inspector

Perfect for wearing under a lab coat in subzero freezers, the Iron-Tuff® Inspector jacket has side seam slits for easier access to your pant pockets. Extra-long design adds more protection from -50°F conditions.

Navy | S-5XL | 0341 | Starting at \$175

Iron-Tuff® Snap-On-Hood available pg 91

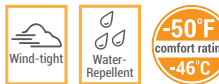

0322 Iron-Tuff® Polar

Durable, warm and ready to work, this jacket's got your back. Heavy-duty zippers stand up to repeated use. Keep your mobility without losing warmth with the waist-length Iron-Tuff® Polar.

Navy | S-5XL | 0322 | Starting at \$101

Iron-Tuff® Snap-On-Hood available pg 91

IRON-TUFF® ICE PARKA | PAGE 11
 WOOL WATCH CAP | PAGE 90

0361 Iron-Tuff® WinterSeal™

Seal out the cold no matter how low the temperature drops. WinterSeal™ offers industrial-strength protection with abrasion resistance, bound seams and a longer design so you have plenty of coverage.

Navy | S-5XL | 0361 | Starting at \$168

Iron-Tuff® Snap-On-Hood available pg 91

0342HV HiVis Iron-Tuff® Jackcoat™

Durable, warm and designed to get you noticed on the job. The HiVis Iron-Tuff® Jackcoat™ is ANSI and CSA compliant for high-visibility in hazardous conditions.

Lime | Orange | S-5XL Regular, M-5XL Tall | 0342HVR | Starting at \$216

Iron-Tuff® Snap-On-Hood available pg 91

0342TT HiVis Iron-Tuff® Two-Tone Jackcoat™

Dirty jobs in low visibility or high traffic areas call for a unique high-visibility jacket. The dark two-tone design on this jacket hides the evidence of the dirty work you've been doing.

Orange/Navy | Lime/Navy | S-5XL Regular, M-6XL Tall | 0342T | Starting at \$231

Iron-Tuff® Snap-On-Hood available pg 91

 FREEZER EDGE® GLOVE | PAGE 70
 WATCH CAP | PAGE 89

8043 ErgoForce® Waterproof Jacket

Cold and wet? Not in this jacket. It's tough, warm and 100% waterproof to hold its own against pop-up showers during long motorcycle rides or on miserable job sites.

●
 Black | S-4XL | 8043 | Starting at \$157

8250 Freezer Edge® Jacket

Your job is tough enough, even without the cold you face every day. But when the cold can't bother you, you can't be stopped. Features a comfortable, lined collar, HiVis coloring and reflective tape, plus a Teflon® coating to repel stains.

●
 Lime/Gray | S-5XL | 8250 | Starting at \$167

NEW AVAILABLE SEP. 2022

8120 Frostline® Jacket

You've never seen a puffer jacket like this before. So lightweight, you'll forget you're wearing it. So durable, you can tackle any job. So warm, you'll make the cold shiver in fear.

●
 Navy/Black | S-5XL | 8120 | Starting at \$150

JACKETS

INSULATED SOFTSHELL JACKET | PAGE 16
INSULATED WOOL GLOVE | PAGE 76
INSULATED SOFTSHELL PANTS | PAGE 39
WATCH CAP | PAGE 89

0490 Insulated Softshell Jacket

Softshell lets you move so you can stay warm no matter what you're doing: chopping wood, loading pallets or anything in between. Tough enough to handle the job every day, but flexible enough to let you move as much as you need. Protection down to -20°F so you can get to work even when the thermometer is below 0°.

Black/Charcoal | Navy/Charcoal | S-5XL | 0490 | Starting at \$120

0496 HiVis Insulated Softshell Jacket

You shouldn't have to choose between safety, durability and comfort. This jacket gives you all three: ANSI certified visibility, a soil-resistant Teflon® coating on the wind-tight, water-repellent outershell and warmth down to -20°F.

Orange/Black | Lime/Black | S-5XL | 0496 | Starting at \$158

 WATCH CAP | PAGE 89

8490 Enhanced Visibility Insulated Softshell Jacket

Knowing you're safe at work means you can focus on what you're doing. Our Enhanced Visibility Softshell Jacket features segmented reflective tape for added protection to get you home safe and sound.

Black/Charcoal | S-5XL | 8490 | Starting at \$135

8220 Two-Tone HiVis Insulated Softshell Jacket

You battle tough jobs, but your gear doesn't have to show it. Fight off dirt and grime after a long day in this two-tone design. With serious heat-trapping power and HiVis accents to help you stand out, you'll get it all done in comfort and safety.

Black/Lime | S-5XL | 8220 | Starting at \$147

SOFTSHELL JACKET | PAGE 18

0491 Softshell Jacket

This is the lightweight jacket for heavy-duty work. The Softshell Jacket is durable, windproof, flexible and water-repellent, but it's still lighter and more comfortable than your standard work gear. Get all the benefits without all the bulk.

Black | S-5XL | 0491 | Starting at \$101

9291 HiVis Softshell Jacket

Brush off even the toughest, dirtiest days on the job with the ANSI certified protection of the HiVis Softshell Jacket. With a tough Teflon® coated outershell, this lightweight jacket resists dirt, grime, and stains for long-lasting durability.

NEW AVAILABLE
SEPT. 2022

9151 Lightweight Softshell Jacket With Hood

The weather might be almost freezing, but you don't have to be. This functional, durable and comfortable jacket keeps out rain and wind so you can keep on getting the job done.

Black | S-5XL | 9151 | Starting at \$80

8650 ChillShield® Jacket

A tough, lightweight jacket that packs a warm, heavy-duty punch? Yup, and this one does the job without all the extra bulk and has bonus features like abrasion-resistant panels for added durability. Warm, tough and comfortable never looked so good.

Gray | S-5XL | 8650 | Starting at \$120

COMFORTGUARD™ UTILITY JACKET | PAGE 20
 WOOL WATCH CAP | PAGE 90
 ICE LOGGER BOOT | PAGE 82

0630 ComfortGuard™ Utility Jacket

As trusty as Batman's utility belt, the ComfortGuard™ Utility Jacket gives you ultimate functionality in the field. With an extended back for extra protection from the cold, 8 pockets and heavy-duty construction, this jacket has everything you need for work.

●
 Black | S-4XL | 0630 | Starting at \$120

0620 ComfortGuard™ Service Jacket

You can take the hits and keep on working. So can this rough-n-tough Service Jacket. The waist-length design is great for sitting if you operate heavy equipment all day while the drawstring hood protects against the elements.

●

Navy | S-5XL | 0925 | Starting at \$56

0934 Econo-Tuff® Frock Liner

With 2 oversized clipboard-shaped insulated front pockets, the Econo-Tuff® Frock Liner has plenty of space for hands, tools, and work equipment. Plus, it's warm enough for below-freezing temps and durable enough to tackle the toughest jobs.

Navy | S-5XL | 0934 | Starting at \$70

A man wearing a black knit beanie with a red logo, a green quilted vest over a black jacket, and grey gloves is holding a thick, rusty metal chain. He is looking down at the chain. The background is a snowy outdoor setting with blurred buildings and trees. Snow is falling around him.

VESTS

CORE COMFORT

When your temperature drops, your body focuses on protecting your vital organs, drawing blood away from your extremities. When your core stays warm, the rest of you stays warmer, too. Insulated vests add a layer of protection without limiting your range of motion.

IRON-TUFF® VEST | PAGE 29
THERMAL LINED SWEATSHIRT | PAGE 55
POLY HONEYCOMB GRIP GLOVE | PAGE 74
WOOL WATCH CAP | PAGE 90

Extended-length back prevents drafts and protects your kidneys from extreme cold.

0399 Iron-Tuff® Vest

The tough outershell and the insulated knit collar on this thermal vest keep the cold from creeping down your back. Stretch-knit side gussets provide flexibility and comfort, while bright colors and reflective tape on the HiVis versions add visibility.

Navy | Sage | Lime | Orange | S-5XL | 0399 | Starting at \$75

NEW AVAILABLE SEPT. 2022

8640 PolarForce® Vest

Cover your core while keeping your arms free to meet the challenges of your day in the PolarForce® Vest. Tricot laminated silver lining traps body heat and reflects it back to keep you even warmer.

Charcoal/Black | S-5XL | 8640 | Starting at \$105

INSULATED SOFTSHELL VEST | PAGE 30
 RAGG WOOL DOT LINER | PAGE 76

0492 Insulated Softshell Vest

Vests are the perfect way to keep your core warm while keeping a full range of motion for your arms. Our softshell vests are tough and work ready.

Black | S-5XL | 0492 | Starting at \$82

0599 Cooler Wear™ Vest

Extended back guards against drafts while the insulated knit collar keeps the cold from breathing down your neck. Stretch knit side gussets add comfort and the durable rip-stop outershell stands up to on-the-job beatdowns.

Blue | S-5XL | 0599 | Starting at \$50

0912 Econo-Tuff® Vest

Wind, rain, snow and ice can bring it on. You've got the full heat-trapping capability and reliable durability of the Econo-Tuff® Vest, so you're ready to outwork whatever weather comes your way.

Navy | S-5XL | 0912 | Starting at \$45

0494 Softshell Vest

Stay mobile and stay protected with the lightweight warmth of the Softshell Vest. Perfect for layering under a jacket or over a thermal hoodie.

Black | S-5XL | 0494 | Starting at \$72

9499 HiVis Reversible Softshell Vest

Enjoy full freedom of motion while protecting your core from Mother Nature's worst. Perfect for changing conditions, wear the Softshell HiVis side in low-visibility conditions, then switch back to black fleece when HiVis isn't needed.

BIBS & PANTS

PROTECT YOUR BODY, MOVE FREELY

Whatever items your to-do list has, you can check them off with the added protection of bib overalls and pants. No one else has the selection of insulated bib overalls that we do - with options to keep you warm in temps right around freezing all the way down to -60°F.

ECONO-TUFF® BIB OVERALLS | PAGE 43
THERMAL LINED SWEATSHIRT | PAGE 55
IRON-TUFF® INSULATED GLOVE | PAGE 67

0795 Extreme Softshell Bib Overalls

These bibs can handle whatever abuse the day holds. They feature abrasion-resistant patches on knees and heels, high torso coverage and protection from the harshest temps.

When paired with 0790, meets EN 342:2017 Protective Clothing Protection Against Cold: 0.455(B) | 3 | X

Black | S-5XL | 0795 | Starting at \$228

0797 HiVis Extreme Softshell Bib Overalls

These ANSI Class E bibs offer warmth down to -60°F. Take your protection to the extreme with abrasion-resistant knee patches, high torso coverage, and adjustable waist and suspenders.

Lime/Black | S-5XL | 0797

Starting at \$246

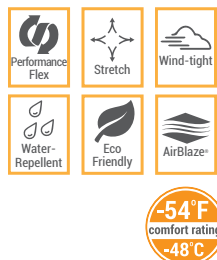

7354 54 Gold Bib Overalls

These overalls raise the bar for comfort with a super warm lining and lightweight insulation—a combination that protects well below zero without being bulky. With Performance-Flex at the knees for better movement, you're set to tackle your to-do list all in one warm, durable pair of overalls.

Dark Green | Navy | S-5XL | 7354

Starting at \$262

0385 Iron-Tuff® Bib Overalls

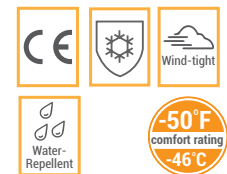

The high front and back on these heavy duty bibs maximize coverage while adjustable industrial-strength 2" elastic suspenders ensure you get the most comfortable fit.

When paired with 0322 or 0358, meets EN 342:2017 Protective Clothing - Protection Against Cold: 0.430(B) | 3 | X

Navy | Sage | S-5XL, M-5XL Tall | 0385

Starting at \$133

0345 Iron-Tuff® Low Bib Overalls

Bend, twist and sit with ease, thanks to the low-front design. High-high leg zippers with storm flaps make it easy to put on and take off while the heavy-duty suspenders give you a no-slip fit that keeps warmth where you need it most.

Navy | Sage | S-5XL & Short, M-5XL Tall
0345 | Starting at \$129

0386 Iron-Tuff® Enhanced Visibility Bib Overalls

With enhanced visibility from reflective tape and a high chest and back that gives you more coverage for warmth, these insulated bib overalls will keep you protected and free to work in any cold conditions in comfort.

Navy | S-5XL & Short, M-5XL Tall
0386 | Starting at \$146

7322 Iron-Tuff® Pants

The protection and durability of Iron-Tuff® is now available in pants with a comfortable elastic waistband, including belt loops, that moves with you to prevent cold drafts from sneaking down your back while you work. With above-knee leg zippers, rivets to reinforce stress points, and a wind-tight, water-repellent finish, the cold has met its match.

Navy | S-5XL
7322 | Starting at \$119

0385HV HiVis Iron-Tuff® Bib Overalls

These heavy-duty HiVis overalls come with adjustable, industrial strength 2" elastic suspenders and insulated pockets, plus 2" silver reflective tape for added visibility in the coldest low-visibility or high-traffic environments.

Lime | Orange | S-5XL
0385HV | Starting at \$224
